Dear Mr. Aleshire:

PROPOSED "ANNEXATION NO. 5"

At the meeting held on October 24, 1962, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of October 5, 1962, of the proposed annexation of territory to the City of Pico Rivera.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the Boundary Commission approved the boundaries of this proposed annexation. A copy of the approved revised description and a list of special districts involved are enclosed for your use.

Very truly yours,
